The Total Cutting Solutions Company!

Our Manufacturing Process

Our manufacturing processes are tried & tested methods with our over 42 year manufacturing experience dating back to our group's joint venture with M/s. A.R. Heathcote & Co – master knife makers from Sheffield in England between 1962 & 1972.

We rigidly maintain High Quality Standards at every step of Production to produce a High Quality, High Performance Product that out performs any other competing product in the market.
